## Office Open

Our office will be open this week from 7:30 am -4:00 pm. Our last day will be Friday, June 15, 2018. We will reopen the office on August 2, 2018.

## Re-registration

All student contact and emergency information needs to be updated before the start of the 2018-2019 school year. To update this information, go to [plusd.org](http://plusd.org). Scroll down and click on "Returning Student Registration". You will need your child's ID and VPC code that was sent home on a yellow piece of paper. If you have misplaced this, please call our office and press 4 to talk to our registration department. Ms. Robin will assist you with any questions you may have. In August 2018, only students who have re-registered will receive class assignments for the new school year.

## TK/K Registration

Thank you for registering your new TK/Kindergarten student online. Just a friendly reminder, your registration is not complete until you bring in your child's paperwork. Birth certificate, shot records, physical, dental, shot records and proof of residency are needed. If you have any questions, please contact Ms. Robin or Ms. Cheryl in the front office.

## Summer Library Hours

Rio Del Oro, Cobblestone, and Riverside Meadows will be open 3 hours Tuesday-Thursday during the summer. Stop by and check out books from any of the three sites. Remember during the summer to have fun, relax, and don't forget to read, read, read!

## Campus Hours

Next year, students will not be allowed on campus until 7:40 am. To keep a safe campus, students should **not** be dropped off in front of the multi-purpose room until the doors are open and proper supervision is available. If you need before school care please contact Live Loud or YMCA.

## Office Phone Menu

When you call Rio, you will hear a new menu option. This will help direct you straight to the person who can assist you best.
