Principal's Message

In two weeks, our students will have Spring break. What a great time to relax and enjoy time together as a family and prepare for the last couple months of school.

Within the district, we are beginning to plan for the 2019-2020 school year. For returning students, this means that you will be completing the re-registration online with your Aeries Parent Portal. Keep an eye out for more information coming to you soon about this. For TK/K students, complete the online registration and turn in your paperwork to your school of residency. To secure your spot at Rio, turn in your paperwork quickly!

I am excited for Spring and all that it brings. It is going to be a great month! As always, you can stay up to date on current information and events by visiting our [website](#) or [facebook](#) page.
