Principal's Message

It is that time of year already! The end of the school year. Where has the time gone? During the month of May we have various activities and events for the students. In the classroom, teachers are attentively working to cover all the major learning before June. It is time to be diligent and keep up on our studies and assignments. Let's end the school year strong!

It is also time to confirm that you will be attending Rio next year! This process is called re-registration or data confirmation. Go to plusd.org to re-register your child online. If you plan on not returning to Rio next year, please notify the office at your earliest convenience. This allows us to plan for the 2019-2020 school year.

As always, you can stay up to date on current information and events by visiting our [website](#) or [facebook](#) page.

Success Skills

May Success Skill is: **Friendship Skills**

What does a great Friend look like? It is important to notice and have empathy when other kids are being left out. Inviting others to play is a caring thing to do. This month, we will work on playing fairly, making amends, and handling name-calling.

Re-registration

To make the start of the 2019-2020 school year a success for everyone, we are asking all parents to re-register their child. This means to confirm you data in the parent portal. **This is different from registering!!!** Go to the Parent Portal to confirm student contact/emergency information, medical information, and correct address. Re-registration is now open.

[Go through this tutorial so that you can re-register properly](#)

NOTE *DO NOT register your child as a new student or an incoming TK/K! *****

State Testing

Our 3rd-5th grade students will be taking the California Assessment of Student Performance and Progress (CAASPP) the weeks of May 13 and May 20. All make-ups will be the week of May 27. To help your child do their best on these tests, check out [CAASPP Testing Tips for Parents](#).

Open House

Our fabulous PTO is hosting our Open House this year! It will be on Thursday, May 30 from 5:15-6:30pm. During this time, families are welcome into their child's classroom to see all the wonderful work they have done throughout the year. As a thank you to our families the PTO will have refreshments and snacks available.

Drama Club Performance

Our drama club has been hard at work. Come watch their performance on Wednesday, May 29 at 6:00pm

TK/K Registration

Please go to plesd.org for step by step instructions on how to register your child. If you have any questions, please contact Ms. Cheryl in the front office. All students will be required to register at their school of residency. If you wish for an intra or inter district transfer, please contact the district office @ 743.4428 to request paperwork.

Intra-district: you are in the PLESD district, live in one school boundary, but wish to attend the other school.

Inter-district: you are in another district's boundaries, but wish to attend a school in PLESD.

Intra Districts

Intra Districts are not approved until late May early June at the earliest. You will get a call from the district that you are approved and will complete paperwork at the site you are assigned.

In class, devices must be kept in the student's backpack (not on their person, including smart watches). All electronic devices turned on and/or out of backpacks while on campus will be confiscated and returned only to a parent/guardian. The school is not responsible for the loss or theft of these items.
